

CHARITY INITIATIVE

www.ant.it

“You can’t get very far
until you start doing something
for somebody else.”

Melvin Jones (1879-1961)

For some years, Vaccari auctions have presented its guests with the opportunity to donate to a “cause”. In fact, proceeds collected from the sale of a previously selected lot go entirely to a charity, which varies every year, and Vaccari srl adds a sum equal to the price realised at the auction.

For the auction of 14 April 2012, 2 lots have been chosen among the classics of Italian philately: one “Crocetta” and one “Gronchi rosa”. The return, doubled by Vaccari, is assigned to Fondazione ANT Italia Onlus.

<p>lot 204 - base €600.00 Kingdom of Naples - Naples Provinces</p>  <p>Regency - t.1/2 blue “Crocetta” (Vaccari n.16) cancelled, with big margins (Sassone n.16) - clean cancellation “Partenza da Napoli 2 Mar. 1861” - really very fine signatures and/or expertise certificates: A.D. (= Alberto Diena) - cert. En.Diena 1989 - P.V. (= Paolo Vaccari)</p>	<p>lot 674 - base €200.00 Republic of Italy</p>  <p>L.205 “Gronchi Rosa” (Sassone n.921) unused with original gum without hinge, well perforated signatures and/or expertise certificates: cert. P.V. (= Paolo Vaccari) 2009</p>

WHO

The non-profit organization **Fondazione ANT Italia Onlus** is one of the leading private organizations working in Italy in the field of palliative care and pain management for tumour sufferers.

Founded in 1978, it operates, for free, in the name of “**Eubiosia**” (from Greek, “good life”), meaning overall quality to guarantee a dignified life right up until one’s last breath.

WHAT

ANT main objective is offering free social-health assistance at home to tumour sufferers. Moreover, depending on the resources available in the local area, it offers projects for cancer prevention for free and it is active in the field of research.

HOME ASSISTANCE - Since 1985, ANT has **assisted more than 85,000 sufferers**, completely free of charge, in 20 home oncology clinics (ODO-ANT) in 9 Italian regions. There are **currently 3,300 patients receiving care throughout Italy every day**. ANT offers specialized round the clock care, 365 days of the year. Since 1988 ANT has teamed this care with a psychology service to provide help, support and comfort to cancer sufferers and their families.

PREVENTION - ANT is committed to cancer prevention with free services available to diagnose early signs of skin cancer, thyroid tumours, and breast and gynaecological neoplasia. It also runs awareness campaigns in schools.

RESEARCH - Since 2003, ANT is active in the field of research and it makes great use of a variety of clinical experience, to ensure that the level of care, both medically and in terms of overall wellbeing, is continually optimized.

HOW

The work of ANT is only made possible thanks to the **donations of private individuals, public organizations, banks and foundations**. ANT also organizes fundraising events and activities, both nationally and locally, to raise funds.

At ANT Charity Shops, “I Cantucci”, ANT volunteers, in exchange for a donation, offer products donated by companies and private citizens in order to raise funds to support the assistance and prevention activity. There are more than 50 charity shops throughout Italy where you can find all kinds of articles and where you can donate new and second-hand goods.

Thanks to donations and to the voluntary activity of more than 1,400 people, for over 30 years ANT has been demonstrating that it is possible to take care of oncological patients at home but with a hospital approach, thus representing an essential resource for the Italian National Health Service.
