2,200.00 euro donated to Fondazione ANT

Thanks to the traditional **charity initiative** connected to Vaccari auctions, from 2008 it has been possible to donate a **total amount of 29,450.00 euro**.

This time one of the lots has been selected at the end of the auction and its return donated.

The lot selected is **518**, one letter sent from Florence to Pontremoli on 17 March 1861, the day when the Kingdom of Italy was proclaimed. It has been sold at 2,200 euro.

The return of 2,200 euro has been donated to the non-profit Fondazione ANT Italia, Delegation of the District of Vignola (Modena), which offers free social-health assistance at home to tumour sufferers and deals with cancer prevention projects, a reality Vaccari has been cooperating with for some years.
