LOMBARDY VENETIA KINGDOM THE FIRST AND THE SECOND ISSUE

The notes on the postage stamps of the first and second issue are taken from the known magazine "Il Corriere Filatelico" in which they appeared serialized, written by some of the most famous authors on philately.

The volume is rich in reproductions, in enlargements which facilitate its consultation, in tables and in precise and detailed information.

ROMAGNA POSTAGE STAMPS

Translation from the French original version published by G.B.Moens in Brussels in 1898.

Some years have passed since its first publication; however, it still maintains its great philatelic and scientific value.

The author has succeeded in finding the right historical perspective and wiping out every doubt on the existence of 6 baj. postage stamps, which were really used.

Introduction by Enzo Diena.
