The six-monthly “**Vaccari Magazine**”, that will be 30 years old in 2018, continues to deserve important recognitions at international level: at “Finlandia 2017” it has obtained the gold medal, which is added to the other 17 gold, the 30 large vermeil, the 17 vermeil, the European Philatelic Academy award as best magazine published in Europe in 2006. Since years it has become one of the most awarded magazines of the sector, thanks to the high quality of its layout and to the importance of studies on philately, traditional and not, proposed since 1989.
