STAMPS AND POSTAL HISTORY
Historical study and catalogue with valuations
Italian States - Provisional Governments - Kingdom of Italy
1850-1900

On sale by the Italian Post philatelic points all over Italy and in the philatelic shops in Rome (Piazza San Silvestro 20) and Milan (Via Cordusio 4).

Very important agreement with the Italian Post to promote the catalogue but above all that part of philately relevant to Italian Ancient States, which is an essential, very fascinating, stage of Italian history, whose collecting is often considered too expensive.

VACCARI CATALOGUE 2006-2007, at its **XII edition**, besides the Italian States, includes all the Provisional Governments and the Kingdom of Italy from 17 March 1861 to the issues of King Umberto I.
