CHARITY INITIATIVE

Following the positive experience of 12 April 2008 auction, when the double of the return (euro 3800.00) for a Risorgimento lot was assigned to AIRC (Italian Association for Cancer Research), for one of the lots of next auction the net return will be assigned to **CHARITY to VIP-Modena** (Viviamo In Positivo - let's live positively) and Vaccari srl will add a sum equal to the price realised at the auction. The details relevant to the deposit will be published.

The lot (928) is a group of space postage stamps and documents from different countries: Russia, China, Formosa, USA, France.

Below two covers included in the lot.

Russia 1994 - Orbital station MIR
Space letter devoted to the flights Soyuz TM-18/MIR and Shuttle STS-60 Discovery which are in orbit in space contemporarily. To recall the first Russian cosmonaut on board an American Space Shuttle (S.Krikalev)

China 2003
Cover of the first Chinese human flight.

Clownterapy, that is the application of techniques coming from circus and street theatre to discomfort situations. About 2700 volunteers, purposely trained, who regularly visit hospitals, rest homes, communities for disabled people and for children, to bring unlucky people a bit of joy and relief. The VIP clown is a “missionary of joy”, is the one who brings love of life, hope, through special tools such as joy, smile, friendship, dance, mime, magic, music, the red nose.

The non-profit national association VIP-ITALIA-Onlus includes more than thirty local associations all over Italy which utilize the clownterapy. Once a year, all the VIP groups take part in the “National Day of the Red Nose”, to make their philosophy of life known.
