HAITI AN IMMEDIATE HELP FOR THE CHILDREN VICTIMS OF THE EARTHQUAKE!

Fondazione Francesca Rava represents, in Italy, the humanitarian organization N.P.H. Nuestros Pequeños Hermanos (our little brothers), for 20 years **in the isle fourth world of Haiti** with several projects for the children, under the direction of Father Richard Frechette, priest and doctor in the front line.

The efforts to collect funds are directed to **well defined projects with specific goals**, which the Foundation realizes in a short time to the benefit of children and respecting those who give their help.

Fondazione Francesca Rava - N.P.H. Italia Onlus helps children in hard conditions through child sponsorships, projects, voluntary work, activities to awaken people to children's rights.

It is a **non-profit organization** recognised by the State, which believes in the efficient use of resources and in transparency: audited balance, management accounting.

It is **independent** from any political or confessional line-up; it realizes its projects thanks to donations and to the help of volunteers who donate their time and professional skills.

The actions after the earthquake by the Foundation and N.P.H. Haiti since 12 January 2010

- 10,000 patients treated by the N.P.H. hospital Saint Damien during the first 3 weeks
- 700 adults and children a day, in the first days of emergency
- 230 children a day assisted at present
- 20 prosthesis for children amputated (130 by March)
- 68 volunteer doctors and nurses sent from Italy
- 80 doctors in staff at the Saint Damien, some volunteers and some Haitians
- 5 moving clinics in the slums to assist more than 100 children each every day
- 1,500 children in the tent cities, assisted in the N.P.H. Day Camps every day, with 100 Haitians in staff
- 1 Day Camp behind the hospital
- 10,000 sandwiches in Francisville every day, delivered to patients and to people in the tent cities
- 25 transports organized by the Dominican Republic, with medicines, equipment, food and water
- 2 watertrucks to deliver drinkable water in the slums, each for 1,800 people
